Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you.

East West Insurance Brokers Pty Ltd are not independent, impartial, or unbiased pursuant to section 923A of the Corporations Act because:

- we may receive remuneration, commission, gifts, or other benefits when we provide personal advice to you in relation to insurance products and other financial products
- we may have associations or relationships with issuers of insurance products and other financial products

Further information about these benefits and relationships is set out in this Financial Services Guide. If you have any questions about this information, please ask us.

The services we are authorised to provide you

We are licensed to operate a financial services business and to provide financial product advice in relation to, and deal in, general insurance products. This allows us to issue, apply for, acquire, vary or dispose of these products.

We can deal with and advise both Retail and Wholesale Clients. We will do this on your behalf as your broker, unless we tell you otherwise.

The advice and documents we give Retail Clients

A retail client is an individual or small business who receives advice or service in relation to Motor Vehicle (2 tonnes or less); Home Building & Contents; Sickness and Accident; Consumer Credit; Travel; Personal and Domestic Property; or Medical Indemnity Insurance products. These products are also referred to as Prescribed Products.

Personal Advice: In most cases we will give you personal advice, tailored to your needs after we have taken into account your individual objectives, financial situation and/or needs. When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than those insurers we deal with regularly.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

General Advice: When we have given you advice of a general nature rather than personal advice, we will tell you so and refer you to the relevant Product Disclosure Statement to enable you to decide if it is right for you.

Product Disclosure Statement: If you are a retail client and we arrange one of the above Prescribed Products for you, or if we recommend you buy a particular prescribed insurance policy, we will give you a PDS, unless you already have an up to date PDS from the insurer. The PDS is prepared by the insurer and is designed to give you important information regarding the insurer and the policy wording.

Statement of Advice: If you are a Retail client purchasing a Personal Accident and Illness

policy with East West Insurance Brokers Pty Ltd you will receive a Statement of Advice (SoA) whenever we provide you with personal advice, regarding this product. The SoA will contain our advice, the basis of our advice, and information on any remuneration, associations or other interests, which might reasonably have influenced us in providing our advice. The SoA will assist you to make an informed decision about your insurance needs.

Record of Further Details: If you are a Retail client purchasing a Prescribed Product and you have not already been provided with a copy of our advice, you may request a record of details regarding our advice. To do so, please contact our office by post, phone or email. We will keep these details on file for 7 years.

Renewals

We will give you at least 14 days' notice of expiry of your insurance policy which we arranged or last renewed for you. In some cases, we may automatically renew your insurance to ensure you continue to be covered.

At that time, we will send you an offer to renew the insurance policy and invoice you for the cost of renewal. If there is a change to your circumstances or if you want to change the details of the cover, contact us as soon as you receive the renewal offer. This will allow us to assess whether your insurance is appropriate for your circumstances.

How you can pay for our services

For each new insurance product, alteration or renewal, the insurer will charge a premium plus any relevant taxes, charges and levies. In some cases, we will also charge you a fee. These amounts will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund of premium owed to you as a result of a cancellation or alteration to a policy, we will retain any fee we have charged you and reserve the right to retain the full commission.

When you pay the premium to us, it will be banked into our trust account. We retain the

commission from the premium you pay us and remit the balance to the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How commissions, fees or other benefits are calculated

We are paid a commission from the Insurer when we arrange a policy on your behalf. This commission is calculated as a percentage of the base premium amount, before GST, Stamp Duty and any other Government charges. Our commission will be calculated based on the formula $X=Y\% \times P$. X=our commission; Y%=the percentage commission paid to us by the insurer, and which varies between 5% and 27%; P=the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be calculated dependent upon factors such as time and costs associated with the particular administration performed and/or service provided. We may also charge you a fee for any special advisory or additional claims-related services.

We may also receive expense reimbursements e.g., some training costs or resources from Zurich Australia Limited.

Occasionally, another person or company introduces prospective clients to us. Sometimes we share our commission or fees with them or pay them an agreed referral fee. If we give you personal advice, we will let you know of any fees, commission or other payments we, our associates or anyone referring you to us will receive in relation to the policies that are the subject of the advice. Our commission rates for referrers are in the range of 0-20% and disclosed at the time of placing cover.

Our employees receive a market salary. They may also receive an incentive bonus based on performance criteria e.g., level of quality service, retained renewals, or new business income. An employee may be paid a share of our remuneration in the range of 3% to 10%. For

example, if our remuneration was 10% of the net premium of \$1,000 (i.e., \$100.00), the employee may receive up to \$10.00 from that transaction.

If we are instructed to arrange a policy for you and we have provided you with personal advice as a retail client purchasing a prescribed product, full details regarding the remuneration that we and our associates are to be paid will be clearly detailed in the Important Information Document regarding our Advice (IIROA) which will accompany your invoice.

If you require further details regarding remuneration, we may receive to assist you with making a decision to deal with East West Insurance Brokers, you can contact our office by post, phone or email within 7 days of the receipt of this FSG and this information will be provided to you in writing. This also applies to any non-monetary remuneration we may receive from insurers such as gifts, entertainment and other incidental benefits where such remuneration could impact in any way on the services, we provide you.
